

THE **MOOBERRY** FAMILY
MISSIONARIES TO **BRAZIL**

Dear Praying Brethren in Christ,

February 2011

What a wonderful Saviour we have in the Lord Jesus Christ, who has continually blessed and prospered us ABUNDANTLY according to your faithful prayers! Now, the thought crosses my mind that some of you may have no idea how much, even your smallest prayers affect us and help us from day to day. However, I assure you, WE DO, and we appreciate every one!

During the month of February the Lord blessed us with some great meetings and warm weather as we traveled through Alabama and Florida! But of course, you can't have the good without the bad! One day on the interstate, passing through Mississippi, a wheel bearing went bad on our travel trailer. Thankfully a trucker honked and waved to notify that something was the matter! That was the Lord, because later, when the mechanic came to take a look, he said if we had gone a few more miles like that we would have been one wheel short, or much worse! We have a great God taking care of us! That was just another blessing in disguise, as through it the Lord provided us with two brand new axles with four new trailer brake assemblies and hubs for a very good price! Hey, our faithful trailer needed a little tune up anyway! The shop that did the work told me the timing was perfect because some of the "nuts and bolts" you don't want to wear out had just about done so, due to our last 15 months on the road. But now, thanks to God, we have all new gear and it's nice to know as we hope to wrap up our deputation this year! Thanks for praying for our safety!

While our God is able to save us from all kinds of hazards on the road, his power is also seen in his ability to save souls from hell! While on visitation a few Saturdays ago I was able to lead three souls to Christ, in one morning! That's not all, between the three others who went and myself we were able to see seven souls saved in just a few hours of door knocking! You all have a part in Ahlyah, Susan, and Dimitri being saved from hell through your faithful prayers and financial support. Not a bad investment! Don't you think?!

In the month of March we will begin the painstaking process of acquiring our long term visas, which will allow us to stay in Brazil for one year (able to be renewed in Brazil). Would you please pray that God would give us wisdom in this matter and that he will help us find favor in the eyes of the Brazilian government officials!

Sincerely, in Jesus Christ,

Matthew, Maggie, Mark, and Luke Mooberry
