

THE **MOOBERRY** FAMILY
MISSIONARIES TO **BRAZIL**

Dear Friends and Churches,

June, 2011

Thank you all for your prayer support and financial support as God got us safely through another good month of deputation! Through your prayers, God has continued to keep our schedule very full with meetings, and they have helped make them good meetings. We appreciate how many of you labor in prayer for us daily! What a difference every prayer makes. One brother at a meeting a few weeks ago told me, "I have been praying for you every day." Praise the Lord! That is exactly what has helped us to do so well on deputation!

Spending June in New York and Ohio allowed us some exceptional meetings, sightseeing, and a little family fun. While in the Buffalo (NY) area we had the opportunity to go see the impressive, Niagara Falls, which was just that. Those falls simply illustrate the power of our mighty God who made them. One could not help but imagine falling into the water just above the falls, only to be swept over, as many have before. Someone was reported to have "gone over" the week before we were there. What a terrifying thought, even if you are "in Christ!" Being swept over the falls illustrates the present condition of each and every lost soul. They are caught in a current of sin that they don't have the power to escape. The "fall" is into an eternal hell where they will burn forever (without water) if someone doesn't do something to save them. Thank God Jesus Christ already did and that we are his ambassadors! Speaking of which, many people around the falls were glad to receive gospel tracts that day, even on the Canadian side! One Canadian lady at a toll booth said, "I'm not supposed to take any literature, but I'll take one anyway!" with a smile. You can have clean, fun as a Christian **AND** be a witness for Jesus Christ! One man said it well, "when you see the sights, see the souls."

We were happy to spend a couple weeks with Maggie's family (in Indiana) which allowed us a convenient time to visit them and get some stuff done. Although we enjoy being with the family, we love it when we can "kill two birds with one stone." Maggie's family has been very helpful to store all of our belongings on their property while we are on deputation. While we were with them, we were able to pack all our stuff away in containers that meet the airlines' size and weight requirements for flying into Brazil. Praise the Lord, that's one less thing to do before going to Brazil!

Maggie and I celebrated our 5th wedding anniversary (June 17th), thanks to God, after five **HAPPY** years of marriage! She likes to joke around about how I got "the short end of the stick," but she's got it all backwards! We were able to go to Maggie's favorite restaurant, without the kids!!! Thanks for praying for a few more meetings and for the support to come in! God has specifically answered those prayers you have prayed since our last prayer letter. Thanks!!! Please pray for more souls to be saved while we are finishing up deputation and for our visa process to go smooth.

Sincerely, in Jesus Christ,

Matthew, Maggie, Mark, and Luke Mooberry
