

THE **MOOBERRY** FAMILY  
MISSIONARIES TO **BRAZIL**

Dear Fellow Saints,

March, 2011

All praise to God, as we joyfully continue into our seventeenth month of full time deputation! The Lord Jesus Christ has been my help and treated me far better than I deserve over the month of March as we traveled through Georgia and the Carolinas. There, we had many good meetings with just as many “missions minded” churches. In my book, these days, if a church is simply willing to have a missionary in for a meeting, they have a lot going for them! We have never wanted meetings, thanks to your prayers!

Thanks to God and to the many “missions minded” churches that have helped us through meetings, prayers, and financial support we are to this day, exceeding all my expectations of how quickly God would bring us through deputation. Before we ever started deputation I considered that it COULD take us as long as four years to raise enough support to go to Brazil. “Prepare for the worst!” Right?!!! However, if that is all you do, it will rear its ugly, unbalanced head and bite you! Praise God!!! He is constantly teaching me to not forget the cliché, “...But hope for the best!” That’s the thing that separates a Christian from the man of this world, Hope! A Christian should always have hope! Now that is not to say that “No hope in the Pope” is no longer true, or a very good magnet to stick on your bumper, but the point is, OUR HOPE IS IN GOD, through his Son, Jesus Christ, who has proved Himself to be worthy of our hope, both in this life and that to come!

With that hope is light that we have and the lost people of Brazil desperately need! One lady I sat next to on a flight to Detroit, Michigan was a very nice person, but she was lost. As she spoke about some recent troubles in her life and how she hoped everything would work out all right. However, that was only in this life. What a sad thing that people who could have such hope as we do, don’t! So I told her about a “BETTER HOPE” than the one she had! That the Lord Jesus would not only go with her through the troubles of this life but also secure her a home in heaven if she would receive him! That day Jesus Christ offered her living water that one could drink and never thirst again! Praise the Lord she was thirsty! She knew she was a sinner and believed that Christ died for her sins and could save her from hell. She prayed on her own and received Jesus Christ as her Saviour! She departed from Flint, Michigan a lost sinner and touched down in Detroit “a sinner, saved by grace” just like the rest of us! Thank you for praying for lost souls to be saved! Pray for Trisha that she might continue to hope only in Jesus Christ and grow in him.

Sincerely, in Jesus Christ,

Matthew, Maggie, Mark, and Luke Mooberry
