

THE **MOOBERRY** FAMILY
MISSIONARIES TO **BRAZIL**

Dear Brethren in Christ,

November, 2010

In the book of Ecclesiastes, Solomon said, "Better is the end of a thing than the beginning thereof." At this point in time I can say, 'I am glad to be at the end of my first year of deputation rather than at the beginning of it!' Amen! November marks the end of our first year of deputation, and what a good year it has been! Although we have many fond memories and no regrets, we are glad to be moving forward. Thank God for the progress He has given us!

The end of our first year of deputation certainly doesn't mark the end of our deputation work but it does mark the end of a very busy year! Thanks to your prayers God has provided us with many good meetings and has kept us busy! A missionary hopes to be "busy" on deputation because the busier he is the sooner he gets to the field (Lord willing)! God has kept us booked with meetings in answer to your prayers. The last few months pastors have even called me several times to try to schedule a meeting with us! If you know anything about deputation, you know that's an act of God! Those things don't happen without God and prayer!

"Better is the end of a thing..." As they say in the construction business, we are trying to finish the job not make a career of it! Although deputation does take some time (and God has His reasons as to why) we know that the experience we are gaining now will help us on the field of Brazil. One man said, "God doesn't call the equipped, He equips the called." That has been our experience thus far and we thank God it is so. Deputation has been a catalyst for God to mold us and shape us into the missionaries He wants to send to Brazil. However, we can't wait to be done with this time of testing and preparatory work and begin God's work in Brazil!

As always, we thank God for you, your prayers, and faithful financial support! You all have been very faithful and we appreciate that! Could you please keep the matter of our financial support in prayer? Please pray that God would put it on the hearts of more churches to support us financially so we can wrap up deputation and continue on to the mission field God has called us to. Thank you!

Sincerely in Jesus Christ,

Matthew, Maggie, Mark, and Luke Mooberry
