“Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.” Matthew 9:38

Dear Brethren,

Nov.-Dec. 2009

Wow! What a great year the Lord has given us in 2009! He has done so much for us over the last year through His grace and in answer to your faithful prayers. I am writing to you from the state of Washington, after spending the last month here with my family, during the holidays. God provided, once again, and allowed us the opportunity to not only see friends and loved ones but also schedule some much needed meetings here in the Northwest. The first of January will mark the end of, by far, the best year of our lives. The deputation road has brought us many trials and spiritual battles, but Jesus Christ has given us the victory, and as Paul said, **“Nay, in all these things we are more than conquerors through Him that loved us.”**

Although deputation has its trials, please don't get the idea that deputation is all bad. Don't forget that our spiritual warfare brings victory through the Lord Jesus Christ! The Lord has brought us much joy and gladness along the way. So many of His people have gone out of their way to do something special for our family that it is very humbling and yet encouraging. His grace has far more than sustained us and His handfulls of purpose have filled us with assurance in **“Him that is able to do exceedingly abundantly above all that we ask or think.”**

Thanks to so many of your prayers more churches are taking us on for support. On the day of our arrival to the state of Washington, we had just enough time to unload our luggage when a pastor called to tell us that his church just voted to take us on for support. What a blessing! Seeing that we just started full time deputation in October I can't give you any definite figures on our financial support but I look forward to keeping you all posted. I have confidence in God's ability and great love (toward us and the souls in Brazil) that our financial support will come.

In closing, I would like to request your prayers concerning our studies in Brazilian Portuguese. God has provided us with a very helpful language study course by Rosetta Stone. The program has already been a great help and encouragement. In fact, our 11 month old son, Luke, sits at the computer with me and repeats all the sounds. What a blessing! However, the greatest blessing is to know that my wife, Maggie, is being very diligent in her language studies. A man once said, “A wise man always prepares for the inevitable.” Without a doubt the necessity to learn Portuguese is “inevitable” and the more we can learn on deputation, the more God can do with us when we get to Brazil. Please pray that our studies will be effectual and productive while on deputation.

Sincerely, in Jesus Christ,

Bro. Matthew Mooberry
