

THE **MOOBERRY** FAMILY  
MISSIONARIES TO **BRAZIL**

Dear Saints,

September, 2011

It was ten years ago, this month, when the two planes crashed into the twin towers and sent thousands of souls into eternity. At that time I had just arrived (a safe distance away) in Pensacola, Florida to attend Pensacola Bible Institute. Looking for that blessed hope (Tit 2:13), I would have scarcely believed that ten years later, we would still be here. However, the Lord's ways are not as our ways, hence, we are still on planet earth waiting for his soon return. What can a sinner, saved by grace, learn from all of this? THAT'S EASY! There is lots of work to do and souls to be saved. "Deduction, Watson, deduction."

Although we are looking for Jesus to come back today, it also becomes each child of God to "Pray the Lord of the Harvest that he would send forth labourers into his Harvest (Mt 9:38)." Thankfully, many of you DO and may God help you continue to do it! For God will be calling missionaries into his Harvest until the day he calls us to meet him in the clouds. As long as there is work to do, Jesus Christ will be seeking and sending labourers to do it. Over the last two years, many of you have been faithfully praying for the Lord of the Harvest to send the Mooberry Family into the harvest field of Brazil. We owe you all a great debt of appreciation for all you have done to help, for we have just purchased our plane tickets to Brazil! Our departure will be on the 28<sup>th</sup> of November, 2011. It will be the Monday following Thanksgiving, which (for some of you) is the Thursday before "Black Friday."

Having purchased our tickets is a great relief, however, we have a very important issue to take care of before we can leave to Brazil. Yes, we still have to obtain our missionary visas (which are good for one year, able to be renewed in Brazil), which many of you have been praying about for some time now. So far, everything is looking good. Our documents are in the hands of the Brazilian government and are awaiting approval. Please pray that they would look favorably on all our paperwork and give us the visas we need.

In addition to all of this good news, another soul was saved this month! Nhamysha, a 14 year old girl, accepted Jesus Christ as her Saviour on her own doorstep. She would disagree with many so-called Christians today who think that visitation is a waste of time.

Sincerely, in Jesus Christ,

Matthew, Maggie, Mark, and Luke Mooberry

"Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:38
